Equilátero

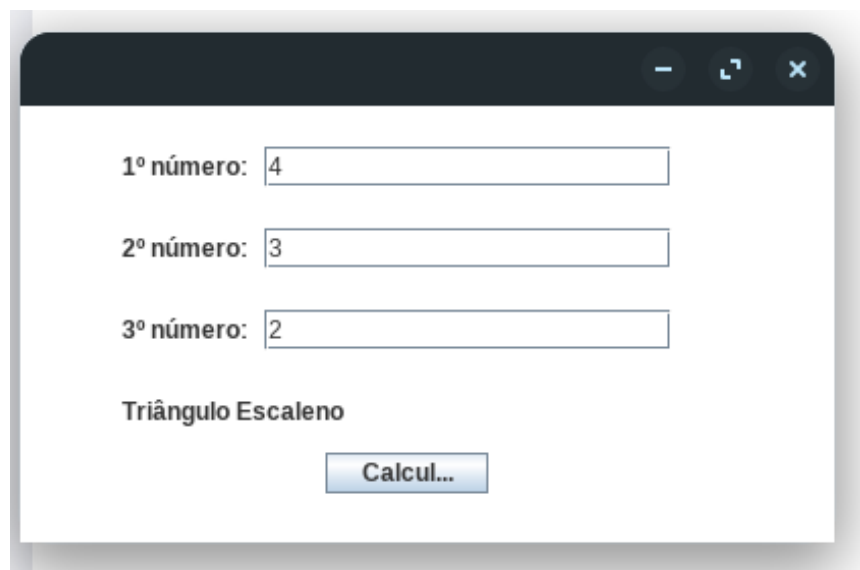

A screenshot of a Java Swing window titled "Triângulo Equilátero". The window has a dark title bar with standard OS controls. Inside, there are three text input fields, each preceded by a label: "1º número:", "2º número:", and "3º número:". All three fields contain the number "2". Below the fields, the text "Triângulo Equilátero" is displayed. At the bottom center, there is a button labeled "Calcul...".

Isósceles

A screenshot of a Java Swing window titled "Triângulo Isósceles". The window has a dark title bar with standard OS controls. Inside, there are three text input fields, each preceded by a label: "1º número:", "2º número:", and "3º número:". The first two fields contain the number "2", and the third field contains the number "1". Below the fields, the text "Triângulo Isósceles" is displayed. At the bottom center, there is a button labeled "Calcul...".

Escaleno

A screenshot of a web application window with a dark header bar containing standard window controls (minimize, maximize, close). The main content area is white and contains three input fields for side lengths. The first field is labeled "1º número:" and contains the value "4". The second field is labeled "2º número:" and contains the value "3". The third field is labeled "3º número:" and contains the value "2". Below these fields, the text "Triângulo Escaleno" is displayed. At the bottom center, there is a blue button with the text "Calcul..." in white.

Abaixo do peso:

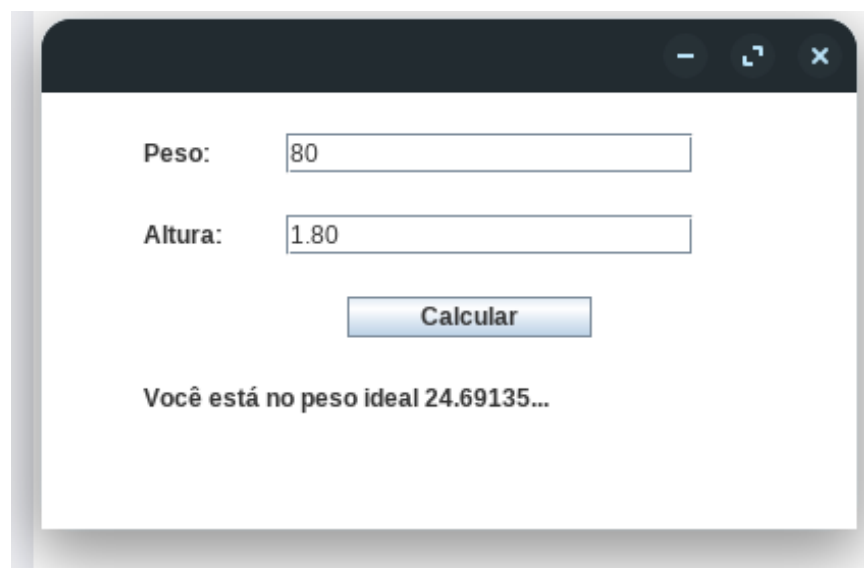

A screenshot of a web application window with a dark header bar containing standard window controls (minimize, maximize, close). The main content area is white and contains two input fields. The first field is labeled "Peso:" and contains the value "21". The second field is labeled "Altura:" and contains the value "21". Below these fields, there is a blue button with the text "Calcular" in white. At the bottom of the window, the text "Você está abaixo do peso 0.0476..." is displayed.

Peso:

Altura:

Você está abaixo do peso 0.0476...

Peso ideal:

A screenshot of a web application window with a dark header bar containing standard window controls (minimize, maximize, close). The main content area is white and contains two input fields: 'Peso:' with the value '80' and 'Altura:' with the value '1.80'. Below these fields is a blue button labeled 'Calcular'. At the bottom of the window, a message reads 'Você está no peso ideal 24.69135...'. The window has a subtle drop shadow.

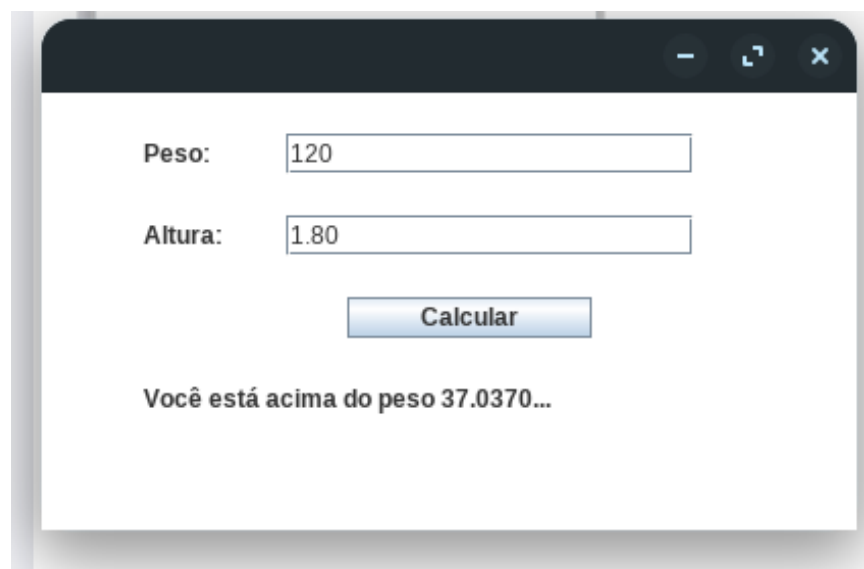

Peso: 80

Altura: 1.80

Calcular

Você está no peso ideal 24.69135...

Acima do peso:

A screenshot of the same web application window as above, but with the 'Peso:' input field set to '120'. The 'Altura:' field remains '1.80'. The 'Calcular' button is still present. The message at the bottom now reads 'Você está acima do peso 37.0370...'. The window has a subtle drop shadow.

Peso: 120

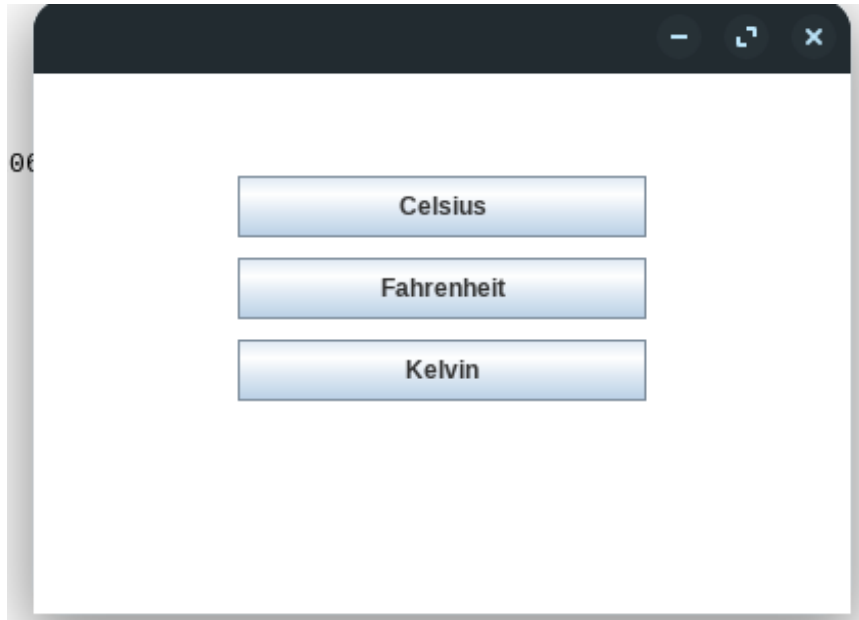

Altura: 1.80

Calcular

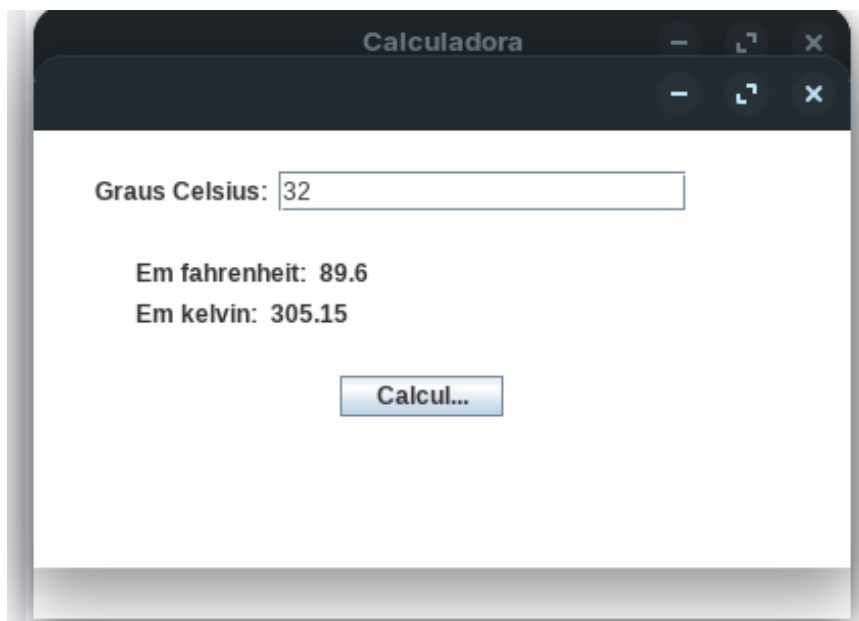

Você está acima do peso 37.0370...
